## FLEXIBLE YET STYLISH

**Plüsch** brings you the German based Plüsch sofas by COR to the Indian market. The collection offers designs in large, small, round, rectangular, black, white and wood options. The best features of these sofas are the back extension, which increases the height of the armrest. This architectural piece of furniture owes its easily combined, ingenious multi-functionality and cosmopolitan grandezza to the Italian designers Melica. The Plüsch collection by COR is available at all Plüsch showrooms in Delhi, Bengaluru, Mumbai and Hyderabad.

## SLEEK YET FUNCTIONAL

**Morphy Richards**, a premium kitchen and home appliances brand launched its global range of products namely Redefine, Prism and Total Control. Redefine is the new premium, highly innovative product range providing exceptional quality and performance. The USP of the range is the Intelligent ThermoGlass technology that allows you to clearly see your bread being toasted/ water being boiled to perfection. Prism collection has striking design with textured finish and vibrant colours and design, which is sure to make a statement in your kitchen. Bajaj Electricals has licensing agreement with Morphy Richards since 2003 to make, sell, market and distribute products under the brand name in India.
