### Cheerful Combinations

Plusch introduces the German pilotis sofa. The sofa, by no means is just a piece of furniture; it is designed in various forms - large, small, round, rectangular, black, white and wood, with a delicate frame. The best features - the back extension, which increases the height of the armrest, and enhances pilotis as a great retreat.

### All New

VitrA introduces inspiring combinations - Sento. The series includes different solutions for storing cleaning materials. Combining aesthetic and functional features, this series has a multi-purpose unit to house a washing machine and laundry basket. Fine and rounded corners ensure safety, and enable easy cleaning in small bathroom spaces.
